Northfield Public Safety Explorers Attend and Compete at State Conference

April 30, 2018

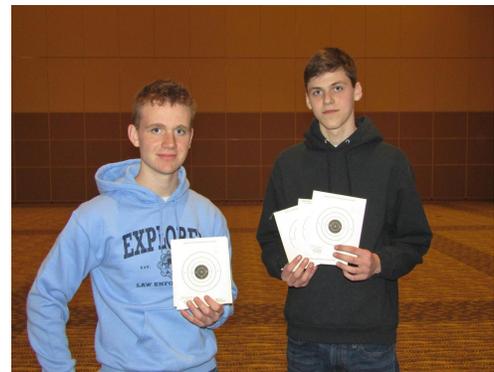

On April 26-29, 2018 the Northfield Public Safety Explorer Post attended the 43rd Annual Minnesota Law Enforcement Explorer State Conference in Rochester, MN. This was the first time Northfield Post 3300 had attended the Conference. The weekend included many skills and academic competitions among Police SWAT and K-9 demonstrations, a career fair, and opportunities to meet new friends from the 500+ Explorers in attendance from every corner of Minnesota and North Dakota.

The Northfield Explorers had opportunities to participate in four practical exercises, two academic sessions, and the airsoft pistol competition. After all competitive events were completed and scored, the Northfield Explorers took 1st place in Emergency Field First Aid practical exercise and 5th place in Police Defensive Tactics for the 21st Century academic session.

We are very proud of the Northfield Public Safety Explorer Post and look forward to the 44th Annual MLEEA Conference in 2019!
