## Press Release Search Warrant results in Drug Charges May 4, 2018

On Wednesday, May 2, 2018, Cannon River Drug and Violent Offender Task Force (CRDVOTF) agents and Northfield officers executed a search warrant in the 500 block of Kimble Court. During the search of the residence, officers found suspected drugs, several firearms, and cash.

Items found in the search included substances suspected to be nearly ¼ pound of methamphetamine, marijuana "wax," nearly a pound of marijuana, drug paraphernalia, and a scale. Officers also seized two firearms (a handgun and a semi-auto rifle) and cash.

As a result of the search, 41 year old Joshua Nicholas Fox was arrested, placed in the Dakota County Jail, and charged today in Dakota County Court with three felony counts of possession and sale of controlled substances.

This arrest and charging is an example of the excellent work CRDVOTF agents perform in our local communities. Methamphetamine and other illicit drugs create many problems and dangers in our communities, and the task force continues to investigate those suspected of selling these drugs.

Drug Enforcement is a Community Effort. If you have information related to drug activity, please call, text, or email us with information.
