david.bennett@ci.northfield.mn.us

Northfield— 12:00 p.m. Effective immediately, the City of Northfield is ending the advisory warning to the public to consider avoiding direct contact with the water on the Cannon River downstream of Northfield in Dakota County and Goodhue County as a result of a discharge of wastewater from the Northfield Wastewater Treatment Plant on the early morning of Tuesday, July 2, 2018.

Water quality test samples collected Wednesday, July 4 and again Thursday, July 5 show bacteria levels have decreased below recreational water quality levels.

For more information, contact City Public Work Director Dave Bennett at 507-645-3006 or david.bennett@ci.northfield.mn.us
