Charge Description: On or about June 19, 2018, in the County of Rice, Minnesota, Anthony Micheal Fugalli did without intent to cause death, proximately cause the death of Jason Ervin Madow by, directly or indirectly, unlawfully selling or delivering or distributing heroin and fentanyl, a schedule I or II controlled substance,

## STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

---

Complainant and/or Signing Officer designated below, declares under penalty of perjury, that he/she has reviewed police reports relating to the above-named Defendant and the allegations contained herein, and/or has spoken with peace officers having knowledge of the incident, and based upon that information, believes the following to be true and correct.

On June 19th, 2018 at 11:52 a.m. Faribault Police, Fire and EMS were dispatched to a medical call at 130 9th Ave SW in Faribault. Upon arrival they found Jason Ervin Madow, (DOB 5-23-1980) lying on the floor. After Narcan and other life saving efforts failed, Madow was pronounced dead at the scene. A 1cc hypodermic needle was located on the floor near Madow. The Reporting Party (RP) stated that Madow may have overdosed on heroin.

RP stated that Madow lived there and offered the following sequence of events, the two of them had been up until 5:00 a.m. an alarm went off at 6:45 and Madow got the kids ready and off to school. RP fell back to sleep. After RP got up she saw Madow's truck in the driveway and found him unresponsive in the bathroom and called 911.

RP stated she though Madow looked heroin high and stated she knew "he got it from this Tony guy." RP stated she had never seen Tony but believed him to be a "black dude that sells a lot of heroin," and that Madow had met him through his friend JS.

Madow's body was transported to the medical examiner to autopsy. Madow had concentrations of heroin, fentanyl, and methamphetamine in his blood. The medical examiner concluded that Madow died of mixed toxicity from the three drugs, though it was not possible to select one of the three as a cause of death.

Anthony Micheal Fugalli (DOB 10-29-1990) was found to have exchanged text messages with Madow in the two days before Madow died. Madow stated he was a friend of JS and wanted to buy heroin. The two arranged to meet near Alexander Park in the City of Faribault where Madow would pay \$50. Madow sent a text message to Fugalli at 6:48 p.m. saying he was in a "White Dodge at the end of the back parking lot." Madow's phone also indicated he had called Fugalli's phone four times on June 18.

Fugalli was arrested as part of another investigation and, following Miranda, admitted that met a guy through JS, who drove a white truck, like Madow's Dodge Dakota, at Alexander Park on June 18th and sold him \$50 worth of heroin. Fugalli was shown a photo of Madow and agreed that was the guy he sold heroin on June 18.

During his interview Fugalli stated that he believed the heroin he was selling was cut with Fentanyl and he believed it to be dangerous. Fugalli said he warned his customers that the heroin was strong and they should be careful not to do too much of it. Fugalli is not black but was associated with another heroin dealer named Tony who is black, Fugalli had taken over much of that dealer's network when that Tony was taken into custody.

**PLEASE TAKE NOTICE:** Pursuant to Minn. Stat. 609.49., intentional failure to appear for duly scheduled court appearances may result in additional criminal charges, and in addition to any arrest warrant that may otherwise be issued by the Court.
