

**RESCHEDULED: Northfield Garden Club's St. Olaf Luncheon & Speaker on Clematis Varieties**

Due to a predicted snowstorm, the Northfield Garden Club's luncheon buffet and speaker has been rescheduled to Tuesday noon on February 19. The location is still the Valhalla Room in Buntrock Commons at St. Olaf College. The event is open to the public with a fee of \$20.

The event speaker, Kathy Donahue Nass, is a second-generation owner of Donahue's Greenhouse in Faribault. She specializes in propagating and growing beautiful Clematis varieties, known as "the queen of climbers."
