Northfield— The City is asking for the public to participate in three short survey questions related to recycling awareness using POLCO, a public engagement platform. In April, the City, in partnership with Dick's Sanitation (DSI), announced changes to solid waste services. Follow this link to the City's garbage and recycling webpage for details: <https://www.ci.northfield.mn.us/451/Solid-Waste-GarbageRecycling>.

Residents can participate on Polco by downloading the Polco app for Android or iOS, or visiting the City's web page on Polco at <https://polco.us/groups/city/northfield-mn>. QR codes on our boards allow easy access to the Polco website. Residents' individual information is never shared and cannot be accessed by the City.

Links to Polco can also be found on the City's website <https://www.ci.northfield.mn.us/1261/Polco>, City's Facebook and Twitter feed. English and Spanish paper surveys are available at the Northfield Public Library and Motor Vehicle Services at City Hall.

If you would like more information about this topic, please contact Communications & Human Resources Director Michelle Mahowald at (507) 645-3012 or email michelle.mahowald@ci.northfield.mn.us.
