

NORTHFIELD POLICE DEPARTMENT

Monte D. Nelson
Chief of Police

Mark Elliott
Deputy Chief of Police

NIGHT TO UNITE REGISTRATION OPEN

Night to Unite will be celebrated throughout Northfield on Tuesday, August 6, 2019.

Night to Unite is an opportunity to get your neighbors together, build positive relationships with law enforcement and increase communication. Northfield residents are encouraged to host a neighborhood gathering in order to meet one another, increase community safety and prevent crime. When families know one another and communicate frequently, it can have a positive impact on the whole community.

Representatives from the Police Department, Emergency Medical Services, Fire Department, City Council, and other community and school leaders will be available to visit the neighborhood parties.

All registered parties will receive a free party kit that includes kites, frisbees, face paint, chalk, bubbles, and paper dining products compliments of Northfield Police Department and the Northfield Alliance for Substance Abuse Prevention.

To get involved in Night to Unite, please complete the online registration form found here: <http://www.ci.northfield.mn.us/NightToUnite>. There will also be paper registration forms available at the Northfield Police Department.

For more information, call Officer Bart Wiese at the Northfield Police Department at 507-663-9307.
