

For Immediate Release:

Washington Street Mill and Overlay

Pavement milling crews will be on-site starting Wednesday June 12, 2019 to begin the pavement milling operations on Washington Street from Woodley Street to Second Street. Parking will not be allowed on the project corridor during the milling operations. The project area will be open to thru traffic during the work, but motorists can expect delays during the milling operations. Motorists are encouraged to use alternative routes during the milling operations.

The City of Northfield urges motorists to always drive with caution, slow down in work zones and never enter a road blocked with barriers or cones.
