PRESS RELEASE

August 01, 2019

No Wake Restrictions **LIFTED** on Cannon, Wells and Shields Lakes

Effective immediately, we have now lifted the Emergency No Wake Restriction on Cannon, Wells and Shields Lakes as well. The No Wake Restrictions will remain on the following lakes: **Horseshoe Lake and Sakatah Lake**. We will continue to monitor the lake levels on these lakes this week in hopes that we can remove the restrictions in the near future.

The water levels on these lakes have decreased to a level we are comfortable with for recreational watercraft. We thank everyone for their cooperation and patience. Please remember to always wear your PFD's when boating and be cautious to debris in and around our lakes, rivers and waterways. Stay safe!
