

We are indeed in most unusual, unprecedented times. However, Northfielders always rise to the challenge to help and make a positive difference in our community! For that we are all grateful!

The Volunteer Portal - now referred to as the **Volunteer HUB** - is the central depository of local needs and ideas of how to spread some cheer during our #StayHome mandate and beyond.

Go to: [northfieldshares.org](http://northfieldshares.org) and click [VOLUNTEER](#) or the "How you can help" image on website. Opportunities around COVID-19 relief are posted within that Initiative.

Should you work for, or know of, an organization that has opportunities and/or needs, encourage registration and posting on the [HUB](#).

Questions? Email [info@northfieldshares.org](mailto:info@northfieldshares.org).

Above all, be safe and stay healthy!

We are #StrongerTogether Northfield,

Carrie Carroll
