WHAT IN THE WORLD IS ... BUS FOR US?

Bus for Us is a transportation collaborative between the Northfield Area Family YMCA and Northfield Promise (HCI). The two organizations along with a generous donor have teamed up to provide at-cost transportation services to selected area nonprofits, helping them fulfill their mission by overcoming transportation challenges.

Come find the Bus for Us around Northfield on October 10, 17, or 24. A clue as to where the van or bus will be located will be posted on the Northfield Area Family YMCA Facebook page and website (northfieldymca.org) on the Friday before.

Get your picture taken by the Board Members on hand to be posted on the Northfield Area Family YMCA Facebook and be enrolled in a prize drawing for a \$25 gift card to a local restaurant.
