

Free Fix-It Clinics

How Fix-It Clinics Work:

1. Check in at the Check-in table.
2. Sign a liability waiver form and weigh your item at the welcome table.
3. When a volunteer is available, proceed to their table.
4. Work with your volunteer fixer to disassemble, troubleshoot and repair your item.
5. All done? Make sure to stop by the welcome table to tell us if your item was fixed.
6. Fill out a survey about your experience.

Please Note

- ▶ We can't guarantee an item will be fixed, but we'll give it our best shot!
- ▶ You are responsible for properly disposing of non-fixable items.
- ▶ Not sure how to get rid of something? Visit www.ricecountymn.gov/662/Where-do-I-dispose-of or call 507-332-6833.

Tips for a Great Experience

- ▶ Bring any parts/tools you think may be helpful to repair your item.
- ▶ Learn from your fixer! Ask questions. Be an active participant in the repair process.
- ▶ Please be patient. Clinics can get busy, but we'll do the best we can to stay on time.
