

## Star-Spangled Banner

O say can you see, by the dawn's early light, What so proudly we hail'd at the twilight's last gleaming, Whose broad stripes and bright stars through the perilous fight; O'er the ramparts we watch'd were so gallantly streaming? And the rocket's red glare, the bombs bursting in air, Gave proof through the night that our flag was still there, O say does that star-spangled banner yet wave; O'er the land of the free and the home of the brave?

## America the Beautiful

O Beautiful for spacious skies, for amber waves of grain, For purple mountains majesties above the fruited plain! America, America, God shed his grace on thee and crown thy good with brotherhood from sea to shining sea.

## America

My country, 'tis of thee, Sweet land of liberty, Of thee I sing; Land where my fathers died, Land of the pilgrims' pride, From ev'ry mountainside Let freedom ring! Our fathers' God, to thee, Author of liberty, To thee we sing; Long may our land be bright With freedom's holy light. Protect us by thy might, Great God, our King!
